Reston Community Center Strategic Plan 2016 – 2021

INTRODUCTION

Reston Community Center underwent extensive discussion and community engagement to craft this Five Year Strategic Plan. Every January, board and staff gather for a Strategic Planning weekend to examine how we are performing and look ahead to coming challenges and opportunities. In January 2015, we anticipated the conclusion of our existing Strategic Plan and what issues we might address or continue to address in this Strategic Plan. During that year, we spent monthly Finance Committee and other Board Committee meetings considering not just performance but also trends that ought to be informing the 2016 – 2021 framework.

With January 2016's meetings, we embarked on engagement with our community and our partners to obtain their feedback and input and this Strategic Plan reflects the bounty of creativity and thoughtful consideration they provided. We approach the years ahead confident that our partners will be with us; making Reston true to its foundational values and using them to provide the highest quality of life for all who live and work here.

Building on the success of the 2011 – 2016 plan, we look to the future with renewed commitment to these overarching principles of our work:

- RCC will expand Reston's access to cultural and recreational amenities, programs and services.
- RCC will leverage the strength of partnerships and collaborations with other Reston and Fairfax County agencies or organizations to serve the community.
- RCC will remain flexible in responding to changing trends and emerging community needs.
- RCC will deliver programs and services with superb and skilled staff using the best practices for stewardship of Reston's investment to maintain the public's trust.

The Strategic Plan 2016 – 2021 incorporates goals and objectives in the following focus areas:

- Facilities
- Building Community
- Programs
- Branding and Messaging
- Internal Capacity and Financial Planning

Ultimately, we want the people we serve to see their own future in this plan and to be excited about the possibilities it offers for their enrichment and enjoyment.

FACILITIES

Goal: *RCC facilities are flexible, technologically advanced, beautiful and environmentally friendly. RCC facilities are considered within the context of other community assets and planning for facilities.*

Objectives:

- a. To conduct market surveys and feasibility studies to determine optimum facilities and facility functions that will serve a growing and changing community. RCC's competitive context is becoming more complex and RCC facilities should be considered within increasing numbers of public and private options for recreation and cultural pursuits.

- c. To evaluate existing RCC facilities for their potential to meet market demands suitable to RCC's mission and to maximize their utilization.
- d. To maintain and renovate existing RCC facilities in responsive approaches to community needs.

- c. To be particularly attentive to cultural, health and wellness concerns developing in the community.

METHODOLOGY

To meet the Goals and Objectives of the Reston Community Center Strategic Plan 2016 – 2021, the Board and staff establish annual work plans/budgets and associated criteria for success. Measures we use annually across programs and services areas tell us that our direction and activities are sound, e.g., participation, cost recovery within targets, patron satisfaction feedback and community meetings or other types of engagement. There are also specific measurable objective outcomes associated with the five focus areas of this plan. The staff reviews our plan objectives and the associated activities with the Board of Governors every January. From February through June, culminating with the Annual Public Hearing for Programs and Budget, the Board and staff report our progress in achieving our objectives; gather new information from the community; adjust if needed to changing circumstances; and produce the next budget and capital improvements/maintenance plans accordingly.
